

## TUNING UP FOR TOKIO.

Men at Arlington Confident Of Sending Wireless Phone Message to Japan.

Washington, Oct. 23.—The powerful wireless station at Arlington, is now being "tuned up" to talk with Tokio. It is the hope and expectation of the experts before long to girdle the globe with the wireless telephone.

Radio experts are enthusiastic over the future following their successful transmission of the human voice from Washington to Paris and to Honolulu at the same time, as was done in the experiments of Thursday night. The practicability of talking with the Orient without a relay at Honolulu was declared today to be unquestioned.

Preliminary to obtaining that accuracy of adjustment that will be required in communicating with Tokio direct, the experts are arranging to open up communication from this city with the Government's wireless station at Cordova, Alaska. As transmission across water is attended by fewer difficulties than over land the first attempt to reach Japan and China by wireless phones probably will be made from the Alaska station.

The distinctness with which the voice speaking in Washington Thursday night was heard by the operator in Honolulu leads the experts to believe that the bridging of the 11,000-mile stretch between Washington and the Orient is only a question of mechanical adjustment and attuning their instruments to the nicety of absolute perfection. Experiments with this end in view are to be conducted without interruption until the desired result is achieved.

## MACHINISTS ON STRIKE

Cleveland, Oct. 23.—The biggest of the recent series of machinists' strikes in this city came yesterday when 1,000 employees of the Peerless Motor Car Company laid down their tools upon orders of John Luthringer, national organizer of the union.

The strike comes, union officials say because demands for the eight-hour day and other concessions had been refused. The Peerless Company has been building large consignments of automobiles for war orders. The company is a member of the National Metal Trades Association and the strike here is the first attempted in any of the plants of that organization. The company will have the support of this association, according to Philip Frankel, secretary of the Cleveland branch, who said the fight will be carried to the end.

## ALL WRONG.

The Mistake is Made by Many Alexandria Citizens.

Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right. An Alexandria resident tells you how.

Mrs. W. A. Waring, 304 north Patrick Street, Alexandria, says: "I suffered awfully at times from my back and inflammation of the bladder. I used to be in such misery during these attacks that I had to have injections of morphine to relieve the pain. My back ached so badly that I thought it would kill me. The kidney secretions caused me terrible suffering and the pains in the top and back of my head nearly drove me insane. I often got so dizzy that I could hardly keep from falling and I felt sick all over. Nothing did me any good until I began taking Doan's Kidney Pills, procured at E. S. Leadbeater's & Son's Drug Store. The first box gave me great relief. I used several boxes altogether and they stopped that awful pain in my back and head and made my kidneys normal. Since then, I have taken Doan's Kidney Pills as soon as I have noticed any signs of kidney disorder and they have never failed to give me quick relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Waring had. Foster-Milburn Co., Props., Buffalo, N. Y.
